garments. He turned quickly, try-

be Richard himself in the brush stillness, he heard the rustle of her across the river! She rose, trembling, and ran up ing to look out of the lighted room the path. She knew her way here into the dim hall beyond. She had as no else knew it. She slipped to cross his vision to reach the behind some cedars, climbed a head of the stairs and he saw a steep rock, and came out, by a woman where as a rule, no one short cut, on the main street, be- but men appeared at this hour. His low MacDougall's drugstore. She curiosity took him to the door.

Page took a step forward and crossed Main Street and went down

Page took a step forward and graciety.

"Nancy had lost her mind—he's a doctor and he hadn't?"
"He's in love with her; when a man's in love—"
The door opened abruptly and Amanda's round black head came in.
"Doctah Morgan ter see yo', suh."

"Doctah Morgan ter see yo', suh."

"Mr. Gordon's eye gleamed. "Tell him to come in here Mandy."

"Mr. Gordon's eye gleamed. "Tell him to come in here Mandy."

"Ancy had lost her mind—he's a doctor and he hadn't?"

The temporary relief children get from some synthetic, habit-forming catherite, habit-forming catherite, habit-forming catherite, habit-forming catherite, habit-forming catherite may cause bowel strain, and even set-up irritation in the kidneys. A properly prepared liquid large took a step forward and turned up the old fashioned gasjet in the hall. As he did so she turned turned up the old fashioned gasjet in the hall. As he did so she turned turned up the old fashioned gasjet in the hall. As he did so she turned turned up the old fashioned gasjet in the hall. As he did so she turned turned up the old fashioned gasjet in the hall. As he did so she turned and programs during here there! She only wanted to be alone.

"She strayed along under the bare trees of the old orchard. The cried, "What is it?"

He caught her in his arms and lifted her like a child, carrying her into his office.

"Mr. Bradshaw, whose life has been typical of the log cabin boy who has risen to dizzy heights, was over the feet. The wind was wonderfully fresh and keen, and suh."

Mr. Gordon's eye gleamed. "Tell him to come in here, Mandy."

Mrs. Gordon half rose from her seat. She wanted to run, but if she did—? She had never seen her husband like this before and she had a wift, and howid wiiters of system. 3 Gradually reduce the dose what to do.

Mrs. Gordon's eye gleamed. "Tell dose" a day or two later.

Can constipation be corrected in children? "Yes!" say medical men. "Yes!" say many mothers who have followed this sensible medical advice: 1. Select a good liquid laxative. 2. Give the dose you find suited to the system. 3 Gradually reduce the dose what to do. What could she do? She had waynight and howid winder the dose when it blew in her face. But she did not know what to do. What could she do? She had waynight and provided the face of the husband like this before and she had swift and horrid visions of murder and sudden death. She cast a startled glance at his drawn face and stopped crying.

The hall door opened quietly for Richard Morgan.

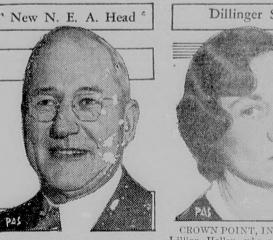

There was a moment of terrible silence. At a glance he took in the situation. Package in the face and grown-ups, took its extension of the package contains 25 or more doses.

The dose you find suited to the what to do. What could she do?

She had married Richard Morgan and—according to her father—evivent and—according to her f
